"Hiding From Tomorrow"

Your Live Is Full Of Hate
Don ' T Wait Till It 'S To Late
Only Way Out From Here
Turn Off Your Brain And Fear

Some Say That 'S Not The Way
But Listen What They Say
Too Much Of Hell And Death
Too Much, It Takes My Breath

Hiding From Tomorrow
Hide Beyond Yourself 2x
We 'Re Talking 'Bout These Things
The Alert Bell Just Rings
But We Don'T Hear This Call
Can'T Save Us From Our Fall

Your Life An Endless Night
Solutions Not In Sight
We Run Out, We Shoot In
Now Let The Dreams Begin

Hiding From Tomorrow
Hide Beyond Yourself 4x
