Look In My Face, Smell My Clothes
Everything Allright You Can'T Get Enough
The Only Trouble For Me Is Plastic
Because My Body Becomes Strange Elastic

No One Can Save My Body
Or Save My Money , I Need It All
No One Can Know My Problem
Become Godlike Is All

Something You See Is False 2x

My Silicon Ass Resembles A God
The Surgical Magic Has Done A Lot

The Blue Contact Lenses For My Eyes 'Re Perfect
It'S Better Than Brown , You Order Direct

No One Can.....

Something You See Is False 2x

My Doctor Had Said ; He 'D Do It Blind
And If He Gets Money He 'D Repair My Mind
But I Don'T Know, Should I Really Try It
The Only Luck Is My Personal Outfit

No One Can.....

Something You See Is False 2x
