What door are you unlocking today?
The door to success is always open
What door are you unlocking today?
The door to success is always open

First door
Second door - just not enough
Third door - I see you're just not listening to the voice
of reason
You're just not listening to the voice of reason!

Left, right!
Going up

What door are you unlocking today?
The door to success is always open
What door are you unlocking today?
The door to success is always open

[let me take you]
[with the eye] on the carrot
The door to success is always open
Keep your eye on the diamonds everyone!
The door to success is always open!

Curiosity will use the skeleton key.

La la la la la
La la la la la
La la la la, la la la la la la

The thrill of the chase is on
You've got you're place in the master plan
The thrill of the chase is on
You've got you're place in the master plan

Cheat cheat cheat cheat

Curiosity, curiosity

Left, right!
Left, right!
