My watch stops
A beat before
My heart stops
You tell me more
I can't stop
I can't ignore
The pin drops

My watch stops
A beat before
It all stops
You hold me close
I can't stop
I can't ignore
The pin drops

My watch stops
A dream I hold
It all stops
Against my will
I can't stop
I can't ignore
The pin drops

My watch stops
A beat before
My heart stops
You tell me more
I can't stop
I can't ignore
The pin drops
