Everything about this party's gone out
I'm out
You're out
She's out
They're out
Oh everyone is out
I'm out
Your out
Let's split
I'm telling you this is it!

Everyone is down in the whole damn town
I'm down
You're down
She's down
They're down
Oh everyone is down
I'm down
Your down
Let's split
I'm telling you this is it!
Let's split
I'm telling you this is it!

Nobody is right tonight
Bright light
I'm tight
She's tight
They're tight
You're tight
Oh it isn't right

I'm down
You're out
I'm out

Let's split
I'm telling you this is it!
