(whispering ? ? )

This is no town  
For the friendly  
Everyone here  
Has a story

And in this maze of people I lose my sense of definition  
A page ripped from a book, I'm just a page ripped from  
a book

Turn it on himself  
Turn it on himself  
Turn it on himself (he's gonna)  
Turn it on himself

Turn it on himself  
Turn it on himself  
Turn it on himself (he's gonna)  
Turn it on himself

I used to never ever worry  
I used to trust my sense of impulse  
I used to know between extreme and moderation  
A sense of balance to hold me up  
A sense of balance to hold me up

Turn it on himself  
Turn it on himself (he's gonna)  
Turn it on himself (he's gonna)  
Turn it on himself  
Turn it on himself

And I've waged war with myself  
Where no victory was ever declared  
And both could end equally grim  
And none of the sides were spared

Turn it on himself  
Turn it on himself  
Turn it on himself (he's gonna)  
Turn it on himself (he's gonna)

Turn it on himself  
Turn it on himself  
Turn it on himself  
Turn it on himself (he's gonna)  
Turn it on himself

Ahahaha
