Well she was tired and 22  
Lost in this swamp  
Laughing ... cheatin' shirt  
What's that she's got?

Got me a rabbit for supper  
I'm making chicken up  
Don't touch my gun  
I sip ground glass

Voodoo vengeance  
Voodoo death  
Squeakin' rats they run from the voodoo house

Trace little curlicues (track the little cutie-coo? -ec  
version)  
All across the bayou  
They'll put a lot of men in prison  
For the things I want to do

I sprinkle rabbit guts all over her face  
Stomp on it with my feet  
Better give me what's mine or I'll take it

Voodoo vengeance  
Voodoo death  
Squeakin' rats they run from the voodoo house

Take a little brown rice  
Add a little water  
Threw in some ground glass, that was her vengeance

Now nobody can hear me (can crack ...)  
I'm lost in the swamp  
Naked in my bed  
All covered in blood

Voodoo vengeance  
Voodoo death  
Squeakin' rats they run from the voodoo house
