Redman]  
Ha Ha  
Turn me up a little bit Haha  
What'cha know about it  
What'cha know about it  
Uh Uh  
I said a hip hop the hibbe  
the hibbe to the hip hip a hop and ya don't stop  
A rock on baby bubba to the boogety bang  
bang the boogie to the boogety beat  
Now what'chu hear is not a test I'm a rappin to the beat  
It's just me the groove and my squad we gonna try to  
move your feet  
See I am the doctor spoc and I'd like to say hello  
A to the black to the white the red and the brown  
the purple and yellow  
Well, first I gotta bang bang the boogie to the boogie  
say up jump the boogie to  
Bang bang boogie let's rock you don't stop  
Rock the rhythm that'll make your body rock  
Now, so far you heard my voice a but I brought 2  
friends along  
And next on the mic is my man E come on E sing that  
song  
(Ha Ha Ha Ha)  
[Erick Sermon]  
Well I'm imp the dip the ladies pimp  
The womens fight for my delight  
Cus im the grandmaster with the 3 MCs  
That shocked ya house for the young ladies  
And when ya come inside into the front  
And you do the freak spank and you do the bump  
But when a sucka MCs tryin to prove a point  
They trust this trio and with this serious joint  
And from sun to sun and from day to day  
I sit back and write a brand new rhyme  
Because they say that lyricals never cease  
I created a devastated masterpiece  
I'm gonna rock the mic 'til you can't resist  
EVERYBODY! I said it goes like this  
See I was comin home late one dark afternoon

Reporter stopped me for an interview  
She said she heard stories and she heard fables  
That I Mrs. On the mic and the turntables  
This young reporter I did adore  
Start rockin through this rhyme like I never did before  
She said damn fly guy I'm in love with you  
Said that casanova legs you musta been through  
I said by the way baby what's your name?  
She said I go by the name of Lois Lane  
And you could be my boyfriend you truly can  
Just let me cut my boyfriend called Superman  
I said he's a fairy I do suppose  
Flyin through the air in pantyhose  
He may be very sexy or even cute  
But he look like a sucka in a blue & red suit  
I said I need a man who got finesse  
and his whole name across his chest  
He may be able to fly all through the night  
But he can't rock a party through the early light  
He can't satisfy you with his little worm  
But I can bust you out with my Supersperm  
I go do it - I go do it - I go do it - do it - do it  
And I'm here and I'm there  
And I'm big bad E and I'm everywhere  
So just throw your hands up in the air  
And party hard like you just don't care  
And just do it and don't stop y'all  
Tick a tock y'all and ya don't stop  
[Keith Murray]  
Well I'm the M - A - S - the T - E - R a G with the double E  
I said I go by the unforgettable name  
of the man they call the Keith Murray  
Well my name is known all over the world  
by all the foxy ladies and the pretty girls  
I'm goin down in history  
As the badest rapper there ever could be  
Now I'm feelin the highs and your feelin the lows  
The beat start gettin into your soul  
You start snappin your fingers and stompin your feet  
And moving your body to the shore shot beat  
And then DAMN! You start doin the freak  
I mean DAMN! Right outta your seat  
And then you throw your hands high in the air  
Your rockin to the beat and shake your derriere  
Your rockin to the beat without any care  
Because the shore shot MCs for the affair  
Now I'm not as tall as the rest of the gang  
But I rap to the beat just the same  
I gotta slim face and the bear brown eyes  
All I'm here to do ladies is hypnotize  
I said a on and a on an on on an on

The beat don't stop till the break of dawn  
I said a on and a on an on on an on  
Like a hot butta pop ta pop to hibbe  
Hibbe pop ta pop pop you don't dare stop  
Come alive y'all and gimme what'chu got  
[Redman]  
Said a hip hop the hibbe to tha hibbe the hip hip a hop  
You don't stop a rockin to the bang bang boogie  
Say up jump the boogie to the rhythm of the boogety  
beat  
Skippity we bopp a we rock a scooby doo  
A guess what america we love you  
Cus you rock & you roll with a so much soul  
You could rock till ya 101 years old  
I don't mean to brag I don't mean to post  
But Def Squads like butter on ya breakfast toast  
A rock it out a baby bubba a baby bubba to the boogety  
Bang bang the boogie to the beat beat  
So unique come on everybody  
Let's dance to the beat
