[Chorus]

Oh what a feeling,  
Can't teach that feeling  
Those who may know it,  
Will nod, in the club..

[Verse 1]

Stop a lil when you think rap,  
Fuck that where the drinks at?  
I just wanna be so wasted, simple games gonna be the  
death of me,  
Impatiently just learn't to cope,  
Fuck that with no other hope,  
And raps just turned into a gimmick now,  
And everybody wanna dumb it down,  
Fuck it prolly do the same,  
Just for a lil bit of fame and name,  
Everybody wanna jump the wagon,  
Sit back now while I'm still swaggin',  
You rappers just on my damn tail,  
Follow my footsteps but always fail,  
Nobody does it just like me,  
Tryna live it big like odb,  
Get a tissue for your trust issues,  
If you got one then I never missed you,  
I can't believe that you hit me up,  
After the times I gave you up,  
Not gonna cuss it's not me,  
Watch your door real closely,  
Uncomfortably the old me,  
Relationships unlikely bitch.

[Chorus]

[Verse 2]

Never ever stop when I'm bopping this,  
Man white rappers always just flossing it,  
Spike a lil bit shit at the club,  
Fuck a hug you never really get that love,  
Everybody wanna get that paper, nobody really wanna

just chase that dream,  
I chase the cream like Wu Tang but it ain't no thang like  
a wedding ring,  
Just keep in mind that I've been doing this so I deserve  
it all,  
Ima ball till the coin drop fall and all,  
Might take a lil while eventually,  
And tell me so let me see, just ride the beat,  
Check your progress and be the boldest,  
Everything you say you gotta be modest,  
And humble as fuck when you own a boat, plane and a  
mansion,  
Nobody like a bitch if she ain't never really down to  
earth,  
Slap the driver and he act real hurt,  
Jump the cab and we feel real bad,  
So now we stopping that and destroying Mags and  
everything else,  
Fuck that no CD on the shelf,  
Just really wanna take care of yourself.

[Chorus]
