When I ain't with my man squeeze I'm with my sweet thing  
we don't ever argue right the her meet thing  
we just take a little time to do our G thing  
I get her up and now them legs in that G string  
I'm talking cold drinks, hot sex  
she keep it trick for me wonder what she got next  
hey y'all the crazy things man give me a hubby making love  
her man at the crib and now she at the club  
so when we do it what we do she take her shower..  
fix her hair make up put her on a model dear  
hey we ain't the hat is routine for a body year  
no time for the petal, talk em baby we out of here  
her rhyme folk a.m. she gets home,  
plan like she tipsy and we way too gone  
while she's spooning with her man  
she'll be thinking bout that..and dear well  
she gonna be bet with master..

Hook:

Man it's so wrong, man it's so wrong  
but it feels so right, but it feels so right  
Man it's so wrong, man it's so wrong  
but it feels so right, but it feels so right  
I know you got em know, you know I got a girl  
but when we get together will be get our own world,  
and man it's so wrong, man it's so wrong  
but it feels so right, but it feels so right tonight

When I ain't with my sweet thing I am with my main chick  
through the ups and the downs who I bang with  
cheated on me but bang she ain't the same chick  
but I can't lie I ain't been the same since  
stayed with her 'cause I loved her so did my mother  
plus we all fuck up, chess I'm more than others  
set thing is I'm always bringing what I happen  
guess this kind of my way to justify all my actions  
yeah it's a ming thing, I'll be guilt tripping  
guilty conscious saying that's how I deal with it

she think I'm chilling having felt as night up  
I'm laying in a hotel room with all the lights out  
making the bail rock, rocking this bitch world  
but T bitch take a dick like a thick girl  
damn is my girl getting everything she kind of desert  
I don't even know if this is my karma

[Hook:]

I'll be with my sweet thing and I say this game is crazy  
right, getting vicious had game amazing  
my man chick too but her problem is she lazy  
always shays she tired I get irritated by  
so instead of picking fights and dealing with that hat  
so I get please elsewhere never have to ask  
we all know the same and all too well  
but you won't do shit somebody else with  
and what I'm doing got me wonder bout my girl  
what if she cheating too, that  
shit fuck of my world, that won't stop me from giving  
her a reason  
I'm going now every weekend, and now I don't wanna  
get caught  
I don't wanna break her heart  
it's crazy 'cause I knew what I was doing from the star  
sweet thing plays her apart, never speaks in the streets  
man I need to talk to God, 'cause I'm in too deep
