That I was the shit woke up and saw that its reality  
Got these niggas googling me checkin what my status

Actually, ask yo girlfriend who her favorite rapper be  
Bet she say dat dat be me and that's why haters mad  
at me  
I'm at benihanas you at chillis or at applebees  
She turning her cell phone off and blame it on her

You dead broke so she pressing the ignore button  
She calls me, every single night  
She want a hood nigga, and I get her right  
Living life, got these niggas mad

I'd like to thank my mama and my daddy for my looks  
So bring ya lady round me and boy she gettin took
