(D-Mac) Verse 1:

Ahem..hello world I'm D-Mac
Best in Dade bar for bar I be that, believe that
Brownsub yeah thats where I be at
On top's the next spot that you'll see me at, Im taking
off
Learned how to bounce back after I take a lost
get my Mariah on and shake it off
see i was born in raised in the county of Dade
Where you're taught by all means get paid
That was back in the days and reallt aint nothing
changed
since the fact we used to fade when we was a certain
age
and now you get sprayed but I aint ready to die
so I keep the 4-5 with me right on my side no lie
I eat,sleep, shit, breathe, bleed 3-0-5
you feel me? really
I don't feed into none of the grudges held against me
cuz it aint never been about nothing but fucking envy
and what gets me is haters wanna tempt me
Like I wont pop the glock until its empty, shit'n me
Im a man nigga you aint finna bitch me
you just wanna make a scene hoping that a bitch see
Ahh I get it I aint fooling with you niggas
I see a bigger picture Im making a transition
until I aint living Imma do what y'all don't
and thats keep it 100 like a lot of y'all wont wussup

(Talking)

Hey how you doing? .. if you don't know me get
familiar..

(Chorus)

Knock on the door wipe my feet on the mat,
It's time for all y'all to meet D-Mac I'm Here!!!

(D-Mac) Verse 2:

Yeah, attitude like fuck the world

if I make you sick go fucking hurl
Im the mac homeboy I don't cuff no girl
Shoutsout to all the niggas trying to fuck my girl
ha, do your thing homie I aint mad at ya
But throwing shots at me just gon' make me laugh at ya
I'm on some other shit with the pictures that I paint
Trying to show you that I'm bout to do what they say I
cant
I'm trying to show you that I'm really everything they
aint
And I aint scared to say whatever I really think
I aint walking round like my shit don't stank
I'm just trying to live life and put chips in the bank
See we all entitled to our own opinions
And mine is I don't care about the one you giving
Somebody out there listening, and to me that's a
blessing
I hope you interested, Here Goes my First Impression,
Im Here

(Talking)

Naw like formal I'm here..like..I aint going
nowhere,here to stay..

(Chorus)

Fuck your thoughts, criticisms, and your feelings
somebody better tell them D-Mac in the building I'm
Here!!!
