(Chorus):

God forbid but I pray, if I die today
This song'll speak the words that I never got to say
Hey...so let it play

(Verse: D-Mac)

Whether its a crash, or bullet holes going through my
shirt
Give my mama every single dollar that I'm worth
And give my little brother every single thing I own
Cuz even though he younger shit he nothin but my
clone
Tell him be a man, take care of our home
Keep our sister in them books don't let her grow to be a
shone
And tell my pop Kevin Watts that I love him
I cherish all the time spent 2009 summer
Tell my granddaddy he my idol and my hero
Cuz I aint never told em and aint really sure if he know
Contact every family member if you can
And let em know its nothing more important than the
fam
Sincere thanks to everyone of my fans
I appreciate you all just for giving me a chance
Damn.. Just for giving me a chance
Yeah... And tell all my niggas
If I go yall all better pour a lil liquor
Cuz yall know our bond couldn't get more realer
And if I'm ever murdered yall ride on the killer
Rock my shirt and button and while I rest in peace
Don't ever let a nigga name die in these streets
You feel me?
See I aint sure if its my conscience coming up with this
nonsense yet
Got me looking in the rear view like every 5 secs
Like the devil on my back feel em breathing on my neck
Tryin to whisper in my ear bout what's next
I think somebody following me damn I hate it when the
light red
Could it be a robber tryna stick me for bread?

Could it be revenge for some shit that I dun said?
Or some shit that I dun did & they got money on my
head?
See I dun jumped, robbed, and shot at niggas
Karma came back round but I aint sure if she finished
I try to tell myself mac relax boy you trippin
But when I go to chillin then I'm feelin like I'm slippin
damn
Then I start pistol grippin, trigger finger itchin, left eye
twitchin
Man, then I start reminiscing, bout all of my homies
that I'm missing
I know one day ill be wit em', ay but I aint in no rush
But if I'm deaths next victim, then hearing this songs a
must
My head held high, prayers to the sky
To know me is to love me if you love me you know why
When imma go? shit I don't know I can't even lie
But I aint actin like I can't die
Whenever my day comes smile for me people don't cry
I'm sure we had a lot of goodtimes
Yet and still nigga I just keep it real
This sort of like my will telling yall how I feel

(Chorus):

God forbid but I pray, if I die today
This song'll speak the words that I never got to say
Hey...so let it play

(Talking):

This is my will.. This is my will.. Telling yall how I feel...
My nigga I just keep it real

Free My nigga Dev, my nigga Kenny Boy, D-Lo,
Rest In peace Shawn, Deon, Pebb, Carltonia, Ty,
Rest In peace Cynthia Mckenzie.. Watch over ya
grandson
Rest In Peace Tony White, Des, Jizzum, D-Roy
Free Nardo, Rest In Peace Lil Larry
Rest In Peace My nigga Keem, I love you... Yea...
