You like this, but I like that  
Damn we so different but we still match  
I guess opposites attract, opposites attract  
Opposites attract, I guess opposites attract  
You like that, but I like this  
we so perfect, it makes no sense  
I guess opposites attract, opposites attract  
Opposites attract, I guess opposites attract

D-Mac:

Yea, you're a country girl.. with a city boy  
On my grown man you ain't dealin with no little boy  
Let's vibe up, let me know where you chillin and I'll slide  
up  
You ain't really into smokers but ain't trippin when I  
light up  
Naw, never complain and I find it a lil strange  
Got me into all the thangs I used to consider lame  
Like goin out on dates, showing pda  
People asking when the wedding I just tell em tba  
See we straight, ain't normally the type I date  
But for some reason I can't seem to keep you up outta  
my face  
We got different taste but we both still fresh  
Styles far from similar but yet they still mesh  
We the best, that's word to khaled  
I'm in love with hip hop, you prefer a ballad  
I'm ordering ribeyes, you ordering salads  
But baby we got each other that's all that really  
matters, right?

Chorus: Dondria

You like this, but I like that  
Damn we so different but we still match  
I guess opposites attract, opposites attract  
Opposites attract, I guess opposites attract  
You like that, but I like this  
Yet we so perfect, it makes no sense  
I guess opposites attract, opposites attract  
Opposites attract, I guess opposites attract

Boy you got me like oh oh oh oh, oh oh oh, oh oh oh  
oh,oh  
Boy you got me like oh oh oh oh, oh oh oh, oh oh oh  
oh,oh oh oh

[D-Mac:]

I'm feelin you, you feelin me  
It aint rocket science baby this chemistry  
I be astonished at how much we lack in common  
But we compliment each other that's something that I  
acknowledge  
Can't tell you how we made it this far, its a trip  
Hardly understand how we met,but yet we click  
Like Adam Sandler remote,ha You like to laugh  
I don't tell too many jokes though,I'm bout my cash  
And ya friends keep on sayin, that we aint finna last  
Cause you take things slow, and I'm living life fast  
I usually have the girls that are actresses or models  
But you're the type at home studying and reading  
novels  
Your mom'll probably see me and say that I'm no good  
Cause You was born in the burbs I was raised in the  
hood  
So at times its hard it gets difficult to manage  
But babe we got each other and that's all that really  
matters right?

[Chorus:]

Boy you got me like oh oh oh oh, oh oh oh, oh oh oh  
oh,oh  
Boy you got me like oh oh oh oh, oh oh oh, oh oh oh  
oh,oh oh oh
