[Verse 1:]

So you wanna be a street runner, but are you ready for  
this life  
Where niggas do whatever whenever to get a stripe  
Where chilling is forbidden in th emiddle of the night  
Cause while the world sleeping you creeping and trine  
get a slice  
Of the cake, cause ay, niggas eating out here  
And this the streets so you know niggas beefing out  
here  
Better watch who you meet niggas'll sneak ya out here  
It's goin down like the sun every evening out here  
So it's rules to the streets and it's all written in codes  
And it's followed by those who understands how it goes  
School of hardknocks not only did I enroll  
I graduated with honors and I never sold my soul  
Yo this shit harder than it looks  
So if you got a chance keep ya hands on them books  
Stay out on that field, and stay out on that court  
Cause ain't no coming back when you walk up off that  
porch you're a

[Chorus:]

Street Runner, I'm gonna make you feel...  
I'm gonna make you feel, Street Runner [Repeat]

My hood niggas throw your guns up,  
my street niggas throw your guns up, throw where you  
from up... up...

My hood niggas throw your guns up,  
my street niggas throw your guns up, Let's go

[Verse 2:]

Cut all that giggling out lil nigga ain't a fuckin thang  
funny  
Cept a nigga chasing bitches and ain't here getting  
money  
Better get up off ya ass and create yourself a income  
I guarantee it'll be plenty hoes for ya & then some  
Take heed to my wisdom, and invest in a pistol  
Cause that's goon come in handy when you come  
across some issues  
Make sure them niggas with you keep it ten toes down  
Cause you never know what's going on when you not  
around  
Speak when spoken to, don't be out here like a clown  
Being friendly with these niggas and running ya fuckin  
mouth  
Some ones you trine vibe with, out here getting high  
with  
Will be the same ones to set you up on some sly shit  
Stay private of location of ya residence  
And gossiping's for women focus on them dead  
presidents  
Licks for them chips, capers for that paper  
Or copping that product to re up again later you're a...

[Chorus:]

Street Runner, I'm gonna make you feel...  
I'm gonna make you feel, Street Runner [Repeat]

My hood niggas throw your guns up,  
my street niggas throw your guns up, throw where you  
from up... up...

My hood niggas throw your guns up,

[Verse 3:]

Yea, let me take you through a street runners mind  
Help you see things through a street runners eyes  
Just speaking on behalf of the streets through a rhyme  
You do the crime be a man own up and do your time  
All that snitching on niggas is for snakes without spines  
Between that and a rat, is the worst of mankind  
It's a fact, niggas act just rehearsing damn lines  
But ain't no movies goin on  
It's just shootings goin on  
Ain't no jobs so we take the jewelry you be putting on  
We call it getting it how we live you people call it doing

wrong

Niggas thinking niggas soft? a lot of proving going on  
Get put to sleep, then it's a wake, lotto funerals going  
on

This is nothing but the life, that I grow and grew up on  
When environments are hostile I do feel right at home  
You can tell how I spit it I meant it I'm really in it  
Think it isn't come and visit my nigga I really live it I'm a

[Chorus:]

Street Runner, I'm gonna make you feel...

I'm gonna make you feel, Street Runner [Repeat]

My hood niggas throw your guns up,  
my street niggas throw your guns up, throw where you  
from up... up...

My hood niggas throw your guns up,  
my street niggas throw your guns up, Let's go
