Gonna catch the bus now
Maybe as a risk that's as good as it gets
Gonna test my muscle
I have been alive just as long as it takes
If I'm about to trust you,
If IÂ'm about to trust you, what can I say?

She wants to talk about it
I haven't thought about it much now.

If I could think about it
I haven't thought about it much now.

So maybe as a risk that's as good as it gets
I'm about to push now
Maybe you push back I will see what it takes.

If I'm about to trust you,
If IÂ'm about to trust you, where can it go?

She wants to talk about it
I haven't thought about it much now.

If I could think about it
I haven't thought about it much now.

This is your last chance
