No direction, need protection,
All the futures pass with me
Feel rejection, isolation
Still in silence
Want to be, lone in me

Beauty stupid
Nothing but vanity
Can't you see
Feel deception
Lost direction
Like never before
Like never before

I still see myself in you now
Like a lifetime lived before

So indifferent
No commitment
Always hiding safe in me
Close my eyes tight
Just to feel right
But the words mean nothing to me
Beauty stupid,
Nothing but vanity
Can't you see
Feel deception
Lost direction
Like never before
Like never before

I still see myself in you now
Like a lifetime lived before

Lost in your own world
Trying to see through mine,
But I'm just fine
Lost direction
Feel deception
Like never before
Like never before

I still see myself in you now
Like a lifetime lived before
