So many times,  
I've tried to make you understand  
You never tried to see behind my smile

If I didn't know you like I do  
I'd get you into  
The secret in me

Just because I'm good at fooling you  
When no one's around  
I walk in your shoes

I'm smiling while lying to you  
I'm smiling while lying to you  
If you only knew

I always try to hide behind a painted smile  
So many tears/things(? ) the public never seen

If I didn't know you like I do  
I'll get you into  
The secret in me

Just because I'm good at fooling you  
When no one's around  
I walk in your shoes

I'm smiling while lying to you  
I'm smiling while lying to you  
When will you see true

I'm smiling while lying to you  
I'm smiling while lying to you  
If you only knew

I'm smiling while lying to you  
Won't you come (? ) to see true  
I'm smiling while lying to you  
If you only knew

I'm smiling while lying to you  
Would you concede my smile

I'm smiling while lying to you  
If you only knew
