Fear the leader  
Fear the clan  
I'm mighty  
Immensly  
The ultimate man  
The news hit you hard  
Crashing down like a ton  
I'm the grim reaper  
The one that murdered your son  
I'm not the fruit of your loins  
From an orange to an apple  
Screw your rules  
I'm a heavy metal disciple  
I'm a gothic messiah  
A leadership denyer  
The satan of your personal hell  
I'll tell you when to cry and  
I'll tell you when to die  
Your life flows  
To the toll of the bell

As I walk on the path of hell  
And the smoke disapears  
Behind the cripple  
A hot blooded dragon appears  
I don't trust no one  
I breathe a firely anger  
Killed my weak part  
Sliced his throat with a dagger  
I buried the bastard  
Rest in peace my brother  
Too weak to be a man  
Now your one dead motherf\*cker

I'm a gothic messiah  
A leadership denyer  
The satan of your personal hell  
I'll tell you when to cry and  
I'll tell you when to die  
Your life flows  
To the toll of the bell

A man with no family  
A motherless son  
Reflections of the past  
Made me the chosen one  
A dangerous pranic  
Who sanguined the plasma  
Now I scheme  
To feed off your karma  
I'd like to thank oh lord  
For the gift which he gave  
Replacing the weak  
And embracing the brave
