Words & Music: Snider/Torme

Tapped Out, Gotta Get Some Action  
Case Cash Brings Satisfaction  
I'm Hot And Ready To Roll  
Crap Out And I'm In A Hole  
All I Want Is  
All I Need Is  
Sittin' On A Hard Sixteen  
I'm Down; You Know What I Mean  
Stone Cold Starin' At A Truck  
That Bullet Means I'm Outta Luck  
All I Want Is  
All I Need Is  
Easy, Easy Action  
Easy, Easy Action  
Hands Stiff, Nothin' In The Hole  
For A Pair I'd Bet My Soul  
Decks Heatin' But I'm Too Late  
Drawin' Four To An Outside Straight  
All I Want Is  
All I Need Is  
(Repeat Chorus)  
So Roll The Dice  
Let Dem Bones A Roll  
Deal The Cards  
I'm Too Deep In The Hole  
Let It Ride  
I Haven't Lost My Soul  
Roll The Dice  
Deal The Cards  
Let It Ride  
I'm A Gamblin' Suicide  
Racks Cold, Shows Nothin' But Green  
House Stooage Is Pickin' Me Clean  
Chips Fall To The Toss Of The Till  
Whole Numbers Fallin' Off Of The Wheel  
All I Want Is  
All I Need Is  
(Repeat Chorus)
