Words & Music: Snider/Torme

It Stood In The Meadow  
Wind Blowin' Through It's Mane  
Cryin' Go, Go, Go, Go And Do It  
He Stares Out The Window  
Anger Feeds His Flame  
Cryin' Oh, Oh, Oh, I Can't Lose It  
But He Asks No Questions Why  
Cause He Knows It's Do Or Die  
He Got Colder And Tough  
Now He's Hard To The Stuff  
But He's Got To Go And Try  
Run Wild, Run Free  
On The Road To Nowhere  
Run Wild, Run Free  
From The Pain And Misery  
Run Wild, Run Free  
On The Road To Nowhere  
No One's Gonna Change Your Life  
She Stood In The Doorway  
Tryin' To Change His Mind  
Sayin', "No, No, No Don't You Do It."  
He Walked Through The Doorway  
She Started To Cry  
He Said, "Oh, Oh, Oh Don't You Lose It."  
But She Asks No Questions Why  
Cause She Knows It's Do Or Die  
So She Smiles And Hangs Tough  
Cause She's Hard To The Stuff  
She Knows He's Got To Try  
(Repeat Chorus)  
And They Ask No Questions Why  
Cause They Know It's Do Or Die  
They Got Colder And Tough  
Now They're Hard To The Stuff  
They Know They Got To Try  
(Repeat Chorus)
