Words & Music: Snider/Torme

Look At How You've Come To This  
You Gave It All For A Stolen Kiss  
Now Look At Yourself  
Look At Yourself  
You're No Where  
All Night Long You'll Lay And Think Of Me  
You Were So Sure That I Wouldn't See  
Now Take A Good Look  
Take A Good Look You're No Where  
See You At Sunrise  
See You In The Morning's Light  
There Won't Be Any Compromise  
When I'm Blowin' You Away  
See You At Sunrise  
See You At Sunrise My Friend  
See You At Sunrise  
See You At Sunrise My Friend  
Are You Blind Or Could You See  
You Crossed The Line And You Came To Me  
How Could You Not Know  
How Could You Not Know You Were Over  
See You At Sunrise  
See You In The Cold Daylight  
There Won't Be Any Alibis  
When They're Takin' You Away  
(Repeat Chorus)
