Another Brick Inside A Naked Wall
Another Fragment Of Grey
It Doesn't Matter If It Stands Or Falls
Cause It Will Be Replaced
Close Your Eyes There's No Easy Way
Fuck The System
Human Or Machine What Does It Take
To Make You Listen

I Scream, You Don't Hear, I Lust, For What You Fear

A New Day Another Episode
What Will It Be This Time
You Might Be Afraid To Face Truth
But Can It Be Denied
I Will Not Obey Your Rules
I Won't Listen
My Instincts Are True
I Am Human

I Scream, You Don't Hear, I Lust, For What You Fear

What I Feel Is What I Need Can't You See
Truth Is Just Another Word For Make Believe
The Inner Urge Indicates I'm Still Alive

Your Words Are Nothing Worth To Me So Step Aside

Why Don't You Open Your Eyes
You're A Piece In A Puzzle A Slave To What GOD Left
Behind

No Trust / You Might Be The Enemy
One Step Ahead / My Own Stupidity

I Scream, You Don't Hear, I Lust, For What You Fear

What I Feel Is What I Need Can't You See
Truth Is Just Another Word For Make Believe
The Inner Urge Indicates I'm Still Alive
Your Words Are Nothing Worth To Me So Step Aside

Why Don't You Open Your Eyes
You're A Piece In A Puzzle A Slave To What GOD Left
Behind
How Can You Deny
You're A Piece In A Puzzle A Slave To What GOD Left
Behind
