

Dog Faced Gods **"Purge"**

Agression Starts To Summon Up The Demons In Your
Soul
Your Body Shivers Temperature Rises And Your Mind
Will Soon Explode
You've Had Enough Tripping Over, You're No Longer In
Command
Agitation, You Turn To Jekyll It's Getting Out Of Hand

There's A Reason, It Burns Inside Of You
Your Ferocity Is Finally Breaking Through

A Ticking Timebomb, Intrinsic Anger, Society Made You
Low
Interactable Madness, Intolerance, Now You're Finally
Letting It GO
Mesmerized By Your Burning Soul, You're No Longer In
Control

Your Mind Is The Trigger To What's Stored Inside, Now
Hatred Starts To Unfold

All Your Anger Has Been Given Room To Grow
Now It's Time To Cleanse Your Soul

Erase, Purge
Erase, Purge

There's A Reason, It Burns Inside Of You
Your Ferocity Is Finally Breaking Through
All Your Anger Has Been Given Room To Grow
Now It's Time To Cleanse Your Soul

Erase, Purge
Erase, Purge
Erase, Purge
Erase, Purge
