A timeless and forgotten place  
The moon and sun in endless chase  
Each in quiet surrender  
While the other reigns the sky

The midnight hour begins to laugh  
A summer evening's epitaph  
The winds are getting crazy as the storm begins to rise  
As the storm begins to rise

Wild were the winds that came  
In the thunder and the rain  
Nothing ever could contain  
The rising of the storm

In the wings of ebony  
Darkened waves fill the trees  
Wild winds warning  
Echo through the air

Follow the storm now, I've got to get out of here  
Follow the storm as you take to the sky  
Follow the storm now, it's all so crystal clear  
Follow the storm as the storm begins to rise

She seems to come from everywhere  
Welcome to the dragon's lair  
Fingers running through your hair  
She asks you out to play

For all of nature's sorcery  
The most bewitching entity  
Hell can have no fury  
Like the rising of the storm

Follow the storm now, I've got to get out of here  
Follow the storm as you take to the sky  
Follow the storm now, it's all so crystal clear  
Follow the storm as the storm begins to rise

Follow the storm now, I've got to get out of here  
Follow the storm as you take to the sky

Follow the storm now, it's all so crystal clear  
Follow the storm as the storm begins to rise  
As the storm begins to rise
