It's not in the song I sing
Not in the gift I bring
Not in the words I say
Or the promise I've made to You
It's not in my hands held high
Not when I close my eyes
Not when I'm on my knees
For the world to see my faith in You

It's a way of life
It's a sacrifice
It's faith made sight
It's living right
It's a way of life

It's not in the truth I know
It's not in the works I show
It's when my eyes can see
What my heart believes
That we love You

It's a way of life
It's a sacrifice
It's faith made sight
It's living right
It's a way of life
It's a sacrifice
It's faith made sight
It's living right
It's a way of life

Here is my life
May it be holy and pleasing Lord to Thee
All that I am
I will bring as my offering
It's in the life I live
It's in the love I give
It's the things I do in Spirit and Truth
That worship You
