Visit "[Maybe It's You](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Have you ever made a wish  
and had it come true  
Have you ever lived a dream  
like dreamers do  
Do you have a fav'rite day,  
a lucky number noone knows,  
a secret place to hide away  
where nobody else would go

### CHORUS

Maybe it's you  
Maybe it's you I'll always run to  
I long to take you in my arms  
but how can I be sure?  
I'm so afraid you'll say no you're not  
But I think you are

Do you ever go for walks  
right out in the rain  
Have you ever had a thought  
you can't explain  
Do you have a special way  
to make you laugh instead of frown  
A song to sing that makes you smile  
whenever you're feeling down

(Repeat chorus)
