Moses, Moses, don't get lost | In that red sea  
Smite your rod and come across | In that red sea  
Oh Moses, Moses take my hand | In that red sea  
Take me out of Egypt land | In that red sea

Oh Moses, Moses part the waters | In that red sea  
Take us to the lands of our fathers | In that red sea

Moses, Moses, Pharoah coming | In that red sea  
Don't you hear those horses running | In that red sea

Promised land is just across | Across that red sea  
Moses, Moses don't get lost | In that red sea

Stop and talk about your host got lost, got lost, got lost  
Talkin' about your host got lost | In that red sea

Stop and talk about your host got lost, got lost, got lost  
Talkin' about your host got lost | In that red sea

Oh Moses, Moses, don't get lost | In that red sea  
Smite your rod and come across | In that red sea

Oh Moses, Moses, don't get lost | In that red sea  
Smite your rod and come across | In that red sea

Yeah, ol Pharoah and the host got lost, got lost, got lost  
Pharoah and the host got lost | In that red sea

Yeah, ol Pharoah and the host got lost, got lost, got lost  
Pharoah and the host got lost | In that red sea

Oh Moses, Moses, don't get lost | In that red sea  
Smite your rod and come across | In that red sea

Oh Moses, Moses, don't get lost | In that red sea  
Smite your rod and come across | In that red sea

Oh Moses, Moses, don't get lost | In that red sea  
Smite your rod and come across | In that red sea

Moses, Moses, don't get lost | In that red sea

Smite your rod and come across | In that red sea  
In that red sea  
In that red sea
