Turtle Dove Done Drooped His Wings-Duhks

Turtle dove done drooped his wings
Turtle dove done drooped his wings
Turtle dove done drooped his wings
Went on to Zion and he did sing

Adam and Eve, oh, no
Adam and Eve, don't ya tell it to me
Just meet me at the door, don't tell it to me
There's sasalido on salasaree

My name is written on David's line
I'm going to heaven the wheel of time

When I get to heaven I know the rules
Keep going down to the bathing pool
