For I've never seen beauty till the day I saw you  
You're the one I've been searching for  
I'm too shy to tell you this  
But I would do anything for your kiss  
I couldn't sleep cause I was thinking of you  
You make my dreams come true  
My life has chose a direction to your heart  
'til death do us part  
There's nothing without love in this world  
It's not that easy to find that girl  
I'd get down on my knees for you  
If that's what it takes, that's what I'll do  
She's all on my mind, She's my entire lifetime  
She's hard to get by, She's the love of my life  
Please don't ask me to give you up cause you know I  
never will  
I don't think that I'll ever get a chance  
To prove my love to you  
I devote my entire life for you My passion and desire  
for you  
I know I won't live if I can't have you And I don't want  
nobody else  
When I find that love in your eyes  
You'll be in my heart 'til the day I die  
I need to see you everyday Cause I wanna go all the  
way  
She's all on my mind, She's my entire lifetime  
She's hard to get by, She's the love of my life
