Splattered brains  
Sick inside  
Exterion tumours  
Rotting flesh

Maggots in your body  
Morbid corpse  
Immortal sickness  
Immitigate pain

If you have to live with that horrible pain  
Go run and throw yourself under a train  
There's no hope for cure, you are so ill  
No more reason to live, go yourself kill

Splattered brains  
Sick inside  
Exterion tumours  
Rotting flesh

Maggots in your body  
Morbid corpse  
Immortal sickness  
Immitigate pain

If you have to live with that horrible pain  
Go run and throw yourself under a train  
There's no hope for cure, you are so ill  
No more reason to live, go yourself kill  
Nephropyosis, zoanthropia  
Monstrum, spasmus, oligophrenia  
Sacrodynie, mycetoma  
Oftalmatropie, panalgia

Nephropyosis, zoanthropia  
Monstrum, spasmus, oligophrenia  
Sacrodynie, mycetoma  
Oftalmatropie, panalgia

Wait, don't touch him pal, he's ill  
His nose is white, he's going to die will he nil

Xanthropsydracia, trypsis  
Trichocephaliasis, pulsus

The conquer is here and he shows you the way  
He leads you to your death but you wanna stay

Prepare to die is the last thing to do  
Exterior tumours, exterior tumours your last breath is  
gone
