I Come From A Place Where They Get To Me
And Thats Why It Never Sounds The Same
Aint Nothin Change But The Chain In The Mother Fuckin
Charm
Shits For Life So You Can Kill Leon Long
You Can Never Get The Love I Get
And You Can Never Quite Get The Shit I Spit
And When You Biol It All Down In The Pot
Im Too Hot For Tv Now The Tv Wanna Be Me
Many Dance With Their Hair And The Make Up
They Know Who And I Dont Gota Bring Their Names Up
When They See Me They All Get Shook
I Just Stole The Show Off Of Just One Hook
Be Afraid It Just Keeps Growing
Out Of Control For A One Night Show And
When Its All Said And Done Ill Be Out In The Back
Now Tell Me What You Think Abou That

Thats Real
(What Kinda Person You Knows Like Me?)
Thats Real
(Always Know Where Your Foes Might Be)
Thats Real
(Ima Leave It Alone With Thease Words)
Thats The Realest Shit That I Ever Heard
Thats Real
(What Kinda Person You Knows Like Me?)
Thats Real
(Always Know Where Your Foes Might Be)
Thats Real
(Ima Leave It Alone With Thease Words)
Thats The Realest Shit That I Ever Heard

When I Spit It I Lived It More Soul Than Not
East Side Till I Die Repesent Your Block
Im On Your Cornor With The Hotdog Stand
And Every Thing From 7 To 8 Gression To Hoover
I Had My Hand In
A Little Piece But I Was Cool With That
But If My Piece Aint Right I Put A Hole In Your Back
I Keep My Chest Strapped With Rolls Of Dynamite
If You Go Against The Site Somebody Diein Tonight

I Keep It Out Of Sight Like A Bitch With No Eyes
Who Got Em Poked Out For Spreedin All Her Venonous
Lies
Im Baptised By The Streets Im Homicidal
With The Shit That I Speak I Resurrect From The Beat
Compleat Lyrises Who Can Disappear In The Mis
With Out No Witnesses You Wont Forget This Shit
Im Swinging Hard And Im Leavin The Mark
Dont Let Me Catch You With Slippin With Your Shit In
Park
-Cocks Gun-

Its The M To The Izzo

X Marks To Spot
Now Watch Em All Fizzle
I Drop That Shit That Burns While
Ya'll Sizzle A Full Blown Cyclone
