Are you talking to me to say
Never forget
Tell me he truth, but he truth not for me.
We've seen it in your eyes
Never forgive
Lies will begat but in end we will see

They've blinded our sight
Corrupted our fight
The blood on the walls
If you listen, the truth not is their way
[misspelled as "he truth not heir way" in original]

Inside my brain is you cure
Never release
Down to your knees and my people will be
Freedom is brought at a price
Never regret
All you've become for I've released you to see
They've blinded our sight
Corrupted our fight
The blood on the walls
If you listen, the truth not is their way
[misspelled as "he truth not heir way" in original]

Are you talking to me to say
Never forget
Tell me he truth, but he truth not for me
We've seen it in your eyes
Never forgive
Lies will begat but in end we will see

They've blinded our sight
Corrupted our fight
The blood on the walls
