Blind. You want to keep me find,
What you say to me
Kind they forgotten me.
Lost my own soul.
Find, I cannot find it
Truth, I'm too damn blind
Fuck! Scream my long voice cry's
Lost my own soul.

Wanna respect,
Wanna regret
Lies when you silence
Lies is my dept
Hey! I command you to
Hear, it's not to late to.
Feel, Hey I want you to
Lost my own soul.
Shit! Stand before my eyes
Live without alibis
You have no more trys
Lost my own soul.

Wanna respect,
Wanna regret
Lies when you silence
Lies is my dept
