Diseased Â– All you fools  
Pray to your god  
Deceived by the tales Â– Invented  
Live by the words made by man  
Serve the false god Â– Simpletons  
Filled with false hope and fantasies

Believe in the Saints &  
Senseless stories  
Unanswered prayers  
Beliefs of deceit

Depressed, anxiety  
Subconsciously you sense  
The doubts of all shall know  
Your faithfulness fades

Believe in ancient fables  
Your consciences lie in ancient beliefs

Diseased Â– All you fools  
Pray to your god  
Deceived by the tales Â– Invented  
Live by the words made by man  
Serve the false god Â– Simpletons  
Filled with false hope and fantasies

Believe in the Saints &  
Senseless stories  
Unanswered prayers  
Beliefs of deceit
