Subconscious thoughts of unholiness recurring  
consciously.  
The hauntings and depravations of the Christ of  
blasphemy  
Beyond the gates for in which you lie, to redeem  
your sins of life.  
Angelic chants of their suffering, bleeding tears  
of unholy light

Nordic winds in the mystic light, screams of bestial  
cries.  
Down the path leads to the dark, Disparities in demise  
Summoning of the baphomet, enchanted world  
entwined  
Abolishment of the Son of God - Damnation

See the grave of the holy man  
Deceived us, disgraced, now perish  
Believe in your foolish saint.  
Pray to the unborn child, desecrate the womb  
The son, this Jesus, your lord, your faith in a mortal  
man  
Disgrace the beliefs of this feeble world

Evil spells are chanted  
Spoke unto thus thy man  
Join the circle  
The downfall of the Christian savior

Damned to all feeble followers of Christ mortal soul  
agonized in pain  
In the abyss awaits your soul to suffer eternally  
the wrath of the flames  
Doomed, sins, spirits reign

Nordic winds in the mystic light, screams of bestial  
cries.  
Down the path leads to the dark, Disparities in demise  
Summoning of the baphomet, abolishment of the Son  
of God  
To suffer eternal wrath of the flames
