I'm a blood spilling
Bitch stealing
Gantsa ass nigga

Standing behind the mutherfucking trigger
Making them dollar on the hour
Got the power
Slangging powder
Making them hoes scream and holla
"Oh, baby take a shower"

Puliing triggers

With them figgers

Chorus

[Singing]

Show me them haters nigga
I'll pull them silver triggers

Show me them haters please

And all you buster ass bitches can suck a fat dick
You see, I gives no love to no bitch ass fag

I'm rolling 30 killers deep
Slanging nothing but rock
Cause I'ma bad ass nigga
Holding with a tech
Now you'll never catch me slipping
