Real head hunters ain't afraid to say nothing.

Wild Boys on the track, Big Ant and Batman, 2000
Millennium

Chorus: Ya Bitch You !! How you gon front on me,
(bitch nigga, bitch nigga)

Ya Bitch You !! You know it ain't safe in the streets
(bitch nigga, bitch nigga)

Ya Bitch You !! How you gon run from the heat
(bitch nigga, bitch nigga)

Ya Bitch You !! Ya Bitch You !!

Verse 1:

You gotta get it how you live on these streets, or ya
fucked

50 rounds spit out A chopper to kill a couple

Fuck a scuffle, cause only the weak live neat

Da Wild Boyz (wild boys) run the streets and we killin
off the beef

All ya heard was blocka (blocka), now I'm smokin a ???

Channel four made that nigga out a muthafuckin star

Bullet holes in his car, and every shot was meant to wet
him

And in my head, all I heard was Let's Go Get Em

It's all beef , they don't want me back on the streets

Cause I know who got the money, and where them
niggas sleep

Where they creep, where the heat ?

You gon remember me

Sonny Redd, S.R. nigga lockin down the streets

repeat chorus

Verse 2:

You know it's hard comin up in a click and shit

Cause when you get rich, other niggas start to bitch

About shit aint fair no more, this nigga don't care no
more

'Man how you gon fuck my girl?' Bitch you sound like a
ho

Ain't shit 'pose to come 'tween us, not no bitch, ho
Not the money, or the muthafuckin dope
Either we thick like grits, or I'm seein a ghost
Nigga you know how it go : don't brag, don't boast
Cause ho's get you caught up, and ho's get you killed
And I ain't gon let no fuckin ho destroy the shit that I
done built
And ho's turn to snitches, Snitches turn to bitches
Amongst real niggas in the pin when they ship in

repeat chorus
