Can't believe that you've gone gone  
Darlin' I was so wrong  
Feelin' like I do  
Can't go on without you  
Darlin' now that you've gone gone  
I don't want to live on  
Don't know what to do  
Fats Domino Can't Go On Without You lyrics found on  
Can't go on without you  
You can tellin' me and tellin' me  
Someday tears are cryin'  
But I was the foolish one  
To let you say goodbye  
Sorry now that you've gone gone  
I know I was so wrong  
Feelin' sad and blue  
Can't go on without you
