I'm goin' to the river  
Gonna go overboard and drown  
I'm goin' to the river  
Gonna jump overboard and drown  
Because the gal I love  
She just have left this town

When she left me  
I bowed my head and cried  
When she left me  
I bowed my head and cried  
I never thought I would be

I would be the one to cry

Wah wah wah wah wah wah wah  
Wah wah wah wah wha wah wah

Well if you see my mama tell her  
Goodbye for me  
If you see my mama tell her  
Goodbye for me  
I'm tired of living  
Living in misery
