Good night sweetheart
Till we meet tomorrow
Good night sweetheart
Sleep with banish sorrow
Tears and parting
May make us forlorn
But with the dawn
A new day is born
So I'll say
Good night, sweetheart
Tho' I'm not beside you
Good night sweetheart
Still my love will guide you
Dreams enfold you
In each one I'll hold you
Good night sweetheart good night
Dreams enfold you
In each one I'll hold you
Good night sweetheart good night
Good night sweetheart baby good night
