I like the way you walk
I like the way you talk
Let me hold your hand
Try to understand
I want a girl like you
Tell my love is true
Don't be afraid
You've heard what I said

Let the four winds blow
Let it blow and a-blow
>From the east to the west
I love you the best
Let the four winds blow
Let it blow and a-blow
>From the east to the west
I love you the best

I like the way you walk
I like the way you talk
Let me hold your hand
Try to understand
I want a girl like you
Tell my love is true
Don't be afraid
You've heard what I said

Let the four winds blow
Let it blow and a-blow
>From the east to the west
I love you the best
Let the four winds blow
Let it blow and a-blow
>From the east to the west
I love you the best
