My Hit'n'Run...

I like how you drive
How you lean into it
I might take a ride
Try you on

I spark in the dark
Trippin' rippin' through with your car
Pumpin' hard
Then I'm gone

I like how you drive
How you push the limits
Bright to lights in your eyes
Tinted glass

You steer cavalier
Put your body in it
No fear maybe we're gonna crash

I'm the track you need to race
I've got a dangerous car for you to hawk
The finish line is face to face
Like it wasn't a hundred miles an hour

Start my engine
Punsh the accelerator
Get me revvin'
Become my hit 'n' run

Put down your window
And turn the music up
Faster, baby, become my hit 'n' run

I like how you drive
How your lip is sweatin'
You're mine for tonight
Brace yourself
Don't stop for the cops
'Cause you're close to getting your shot

On the top
Can't you tell

I'm the track you need to race
I've got a dangerous car for you to hawk
The finish line is face to face
Like it wasn't a hundred miles an hour

Start my engine
Punsh the accelerator
Get me revvin'
Become my hit 'n' run

Put down your window
And turn the music up
Faster, baby, become my hit 'n' run
