Verse 1:

You got your eye on me
Scanning me all over
You flip your swith to
Show you what I can do
Before you play with me
You know that I'm
I'm down for you make them sure
Be careful what you're wishing for

Chorous:

I'm gonna please ya
Let you get in deep, yeah
I'm gonna freak ya, ah ah
I'm gonna please ya
Let you get in deep, yeah
I'm gonna freak ya, ah ah
I got the look
I don't wanna waste it
I got the look
I want you to taste it
I'm gonna please ya
Let you get in deep, yeah
I'm gonna freak ya, ah ah

Verse 2:

I keep it on the low
Nice and slow, so tasty
I let you take control
About to go
Do what you're gotta do
Before you play with me
You know that I'm
I'm down for you make them sure
Be careful what you're wishing for

Break:

What you're gonna do to me
(What you're gonna do when ya?)
What I'm gonna do to you
(What I'm gonna do with ya?)

I'm gonna freak ya
What I'm gonna do with ya

Chorous:

I'm gonna please ya
Let you get in deep, yeah
I'm gonna freak ya, ah ah
I'm gonna please ya
Let you get in deep, yeah
I'm gonna freak ya, ah ah
I got the look
I don't wanna waste it
I got the look
I want you to taste it
I'm gonna please ya
Let you get in deep, yeah
I'm gonna freak ya, ah ah

Ohh, what am I gonna say?
What am I gonna do?
Freak ya...
