See it's like that  
Sick of brothers flashing the cash  
And the ladies that be pimping their ass  
But that kinda 'ish' it goes on and on it don't stop see  
cause you...

Gotta treat me like a real lady  
If u wanna get with me  
I'm not that kinda one night lover

I got my own diamond rings  
Don't need a man to buy me things  
So save it for somebody else cause No means No...

No ? I don't want a man with the dough  
No ? I ain't getting wit'cha flo  
No ? Cash money aint my style  
(Ladies wont ya hear me now everybody shout it out)  
No ? I don't wanna drink at the bar  
No ? I don't wanna ride in your car  
No ? I don't give a damn who you are  
No Means No...

I ? I don't get down  
With boys that play around  
And you nasty girls who talking all that sh\*t about me

Baby ? If I choose to wear these clothes  
(Don't mean that I'm a ho)  
Can't you see I'm shakin what my mamma gave me

I got my own diamond rings  
Don't need a man to buy me things  
So save it for somebody else cause No means No...

So tell me what's a girl to do  
I'm sick and tired of telling you  
So save it for somebody else cause No means No...

No ? I don't want a man with the dough  
No ? I ain't getting wit'cha flo

No ? Cash money aint my style  
(Ladies wont ya hear me now everybody shout it out)  
No ? I don't wanna drink at the bar  
No ? I don't wanna ride in your car  
No ? I don't give a damn who you are  
No Means No...
