Our final conversation  
It lies heavy on the mind  
And although we couldn't say it  
I think we know, we can't go back this time

Though love and desperation  
Is the writing on the wall?  
And although we couldn't say it  
I think we know, we can't go back this time

It's such a shame, it's such a shame (Ahhhh)  
Don't walk away, don't walk away (Ahhhh)  
All this time I thought I knew myself  
But once again, I buried my head in shame.

Nothing lasts forever  
A flower always dies  
I never fed the beauty  
Why can't I see through other people's eyes?

It's such a shame, it's such a shame (Ahhhh)  
Don't walk away, don't walk away (Ahhhh)  
All this time I thought I knew myself  
But once again, I buried my head in shame

I've paid the price for all my sins  
And when love ends new life begins  
My independence always nails me to the floor  
And it leaves me wanting more, leaves me wanting more

I got everything a girl could ever need  
So why do I still feel like my life's so incomplete  
You made me beautiful, brought me to my knees

So please don't go don't take the missing piece

It's such a shame, it's such a shame (Ahhhh)  
Don't walk away, don't walk away (Ahhhh)  
All this time I thought I knew myself  
But once again, I buried my head in shame

It's such a shame, it's such a shame (Ahhhh)  
Don't walk away, don't walk away (Ahhhh)  
All this time I thought I knew myself  
But once again, I buried my head in shame

In Shame, Shame, Shame...
