JADED HERATS

Lyrics by: Toney Richards

You trust in me cause you believe what you see
With honesty you know there is no fear
Together we stand we passed the test of time
A modern love that survived through the years

Jaded hearts bleed, repeat the same scene
When true love is found, theres always envy around

They hate their messed up lives
They try to fool you with lies
It's misery thats tryin' to make you a deal

It's starts with hypocrisy, slander
Malicious deeds- a jaded heart
Is far too gone to feel

So do away with those friends
Don't need no rumors spread
Distorted minds that can decipher what's real

Jaded hearts bleed-repeat the same scene
When true love is found, theres always envy around

(Spoken) You know, its so easy to get desensitized
in this fucked up world- hope is all we
have. Thats why people.....YOU GOTTA
BELIEVE IN LOVE...!! HAH!!

-Guitar Solo-

*Repeat Chorus, Verse #1, 3 & 4

Pray for the worthless, those envious serpents
They're tryin' to break you but can't penetrate you
It's not paranoia they'll try to destroy you
The light will defend you-
Your true friends commend you
The mind game is over, your true adores you

Your true love is destined fate...!!

I BELIEVE IN LOOOOVVVVEEE...!!!
