Apple pie,not about

Verse

Tommy Jones s'going out tonight,she's right there not
too far behind,got her hook with his school boy
lies.Sure life's not apple pie
Driving round till he finds a spot,right across from the
shopping mart,sitting there clinging to her cat.This ain't
no Sunday drive

Chorus

Not about the love,feeling like you're not,Not about the
love,feeling like in doubt,Not about the love,feeling like
you're out,Not about the love,Not about the love,Not
about the love,feeling far from that,Not about the
love,feeling like door mat, Not about the love,feeling
like old hat,Not about the love,Not about the love

Verse

He when in with his gun held high,she sat there like a
nervous child, he ran back she knew he gone bad,Sure
life's not apple pie

Chorus

Not about the love,feeling like old cloths,Not about the
love,feeling like dead rose,Not about the love,feeling
like dark road,Not about the love,Not about the
love,Not about the love,riding a wind storm,Not about
the love,feeling not your home
Not about the love,feeling like your wrong,Not about
the love,Not about the love

Verse

Tommy Jones won't be home tonight,on the run like
Bonnie and Cyde, nation wide looking for his hid.This
ain't no Sunday drive

Chorus

Not about the love,feeling like you're not,Not about the
love,feeling like in doubt,Not about the love,feeling like
you're out,Not about the love,Not about the love, Not
about the love,feeling far from that,Not about the
love,feeling like door mat,Not about the love,feeling
like old hat,Not about the love,Not about the love

Verse

Tommy Jones keeping out of sight,never thought it

would come to that,sitting there like a homeless
child.Sure life's not apple pie
