Blabbling

Chorus

I would do for you,no other man would do,
Sometimes I just feel that I'm no good for you
They should let us do without their two cent news,
Everyone should know I'm looking out for you.

Verse

Blabbling,blabbling,shooting thier mouth off
Blabbling,blabbling,saying some bad stuff
Blabbling,blabbling,chewing my head off
Blabbling,blabbling,saying to back off

Chorus

Telling me to choose when I don't want to lose.
Give me something else to show so I can prove.
I'm a working man telling me what you can use.
always asking me for things that I can't do

Verse

Blabbling,blabbling,chewing my head off
Blabbling,blabbling,killing our love off
Blabbling,blabbling,setting the world off
Blabbling,blabbling,saying thats enough

Chorus

I would do for you,no other man would do,
Sometimes I just feel that I'm no good for you
They should let us do without their two cent news,
Everyone should know I'm looking out for you.

Chorus

Telling me to choose when I don't want to lose.
Give me something else to show so I can prove.
I'm a working man telling me what you can use.
always asking me for things that I can't do

Chorus

I would do for you,no other man would do,
Sometimes I just feel that I'm no good for you
They should let us do without their two cent news,
Everyone should know I'm looking out for you

Chorus

Chorus

I would do for you, no other man would do,
