Bring it on

VERSE

She wants someone,maybe a man,bikini tan

You won't know it,til you make up your mind

CHORUS

And if she likes it,she'll dance to the beat

VERSE

A trojan horse,bring it on

A woman's touch,bring it on

Love at all cost,bring it on

You won't know it,til you tried out your hand

CHORUS

And if she likes it,she'll dance to the beat

VERSE

Blind fold surprise,what a disguise,hands open wide

You won't know it,til you open your eyes

CHORUS

And if she likes it,she'll dance to the beat

VERSE

whats in the glass,bring it on

Want some more ice,bring it on

Having some laugh,bring it on

You won't know it,til you're in the wrong house

CHORUS

And if she likes it,she'll dance to the beat

VERSE

During the night,when it gets hot,you feel on top

You won't know it,til you come tumbling down

CHORUS

And if she likes it,she'll dance to the beat

VERSE

Look in your eyes,bring it on

Comes from your heart,bring it on

You can't deny,bring it on

You won't it know,if you haven't yet tried

CHORUS

And if she likes it,she'll dance to the beat
